- versatile implementation possibilities
- integrated or external refrigeration options
- user-friendly handling
- unique design
- efficient «tablet cleaning circuit» cleaning system (in compliance with HACCP standard)
- global service network for efficient support

Black&White4 compact CTM/CTM RS

Minimum space conditions do not exclude maximum quality of coffee and milk-based beverages. With only 228 mm width, the Black&White4 compact is in its base configuration CTM (coffee-tea-milk) a true space saver. Unique narrow in its category of fully automatic coffee machines for professional use, the pro device is uncompromising in relation to the quality of its beverages. With a unique milk foam consistency, beverages such as cappuccino or latte macchiato are perfected simply at the touch of a button. The aim «Swiss Quality Coffee Equipment» guarantees maximum quality of both machine and beverage.
