

Chocolate lover deluxe

Black&White|4c

CTM P/CTM P RL

Impressive advantages in the multipack

- top-quality chocolate enjoyment with unique milk foam at the touch of a button
- versatile implementation possibilities
- user-friendly handling
- modular assembly
- patented milk system
- integrated telemetry system
- integrated or external refrigeration options
- unique design
- efficient «tablet cleaning circuit» cleaning system
- global service network for efficient support

Black&White4 compact CTM P/CTM P RL

The compact BW4c CTM P / CTM P RL fully automatic coffee machine prepares coffee specialities as well as milk based coffee and chocolate beverages in consistently high quality. The compact powder module is always mounted on the right side. The BW4c CTM P RL, with a left side integrated cooling unit (RL), holds up to 2 x 4 litres of chilled milk or milk alternatives in the corresponding milk containers.
