

THE NEW WAY OF

ADAPTABLE. INTUITIVE. NEO.

neo adapts to everyone. It can reliably dispense 20 to 100 cups of a wide range of hot and cold beverages every day. Easy to use and with sophisticated sensor technology, it is a delight for both serving staff and self-service customers. It is virtually silent and, thanks to its high-quality materials, very durable. neo can be freely configured to offer a wide range of coffee and milk beverages. Ready to use with its conventional power cable, it is the perfect solution for mobile catering.

Black&White|4 neo

COFFEE COMPETENCE. FROM DAWN TO DUSK.

neo guarantees consistently high quality whatever time of day the coffee is served and no matter how old the coffee beans are. The robust Clip&Click brewing chamber system enables multiple brewing cycles, meaning that large coffee beverages of consistently high quality can be dispensed in one go. It is made of the latest materials and can be cleaned in the dishwasher.
